## ***My Personal Story***

I was born at a very early age... Ha Ha Ha (LOL)  
While this may sound funny at first impression, it is far from the truth  
because in actuality...

***None of us are Really Born and subsequently Never Die!***

I, like many of you Soul/Spirits, spent years of childhood, teen years, and  
early adulthood staring at the stars and wondering...

***Who am I... Where did I come from... Why am I here...***

Yes... I was hoodwinked or programmed, like most humans, into believing  
I was a mortal human being in this fragile body and someday I would die.

***Dang ~ Gosh ~ Fiddlesticks ~ Holy Cow***

Then I found God... or should I say Religion found me and continued  
the illusion of a better place (Heaven) or Hell (Lake of Fire/Reincarnation)  
waiting for me upon my physical death if I was good or bad enough.

***Then I awakened to the “Voices” or “Holy Spirits” in my Head!***

At first it was very confusing, convoluted, conflicting,  
and overwhelming. These Divine Spirits wanted to  
guide, educate, or partner/join/integrate with me.

***Then I created a simple process to discover, discern, and decide.***

This simple procedure was a culmination of many healing, intuitive and  
psychic abilities, I acquired and used on myself and with others.

***This worked so well that it led to even deeper awareness!***

While I was certifying my first practitioners in this process, part of their  
final exam was to ask me “*What is really important to me.*”

When I was asked that question, I responded “*Who are you talking to?*”

This led to the discovery, realization, and subsequent integration of my

***“Aspects” who are assisting in my Spiritual Evolution.***

During my Transformational Coaching work with over 1,000 people, I have  
discovered as few as 3 and as many as hundreds of “Aspects” with clients.

There is usually a Spiritual Being that oversees the others because the  
Human Soul/Spirit or Starseed has dominion and final say over ALL.

***These Starseeds have a Heritage from many places  
in our Galaxy or Universe. Many of us know***

***Who we are & Why we are Here... DO YOU???***

Dear Cosmos:

Could you explain from your perspective what First, Second, and Third Contact is all about, and what's next after that.

Dear Curious One:

It would be my pleasure...

There are three basic levels of experience available with protocols for each.

1. **First Contact:** Discovering that one or more **Spiritual Life Forms** (Guides/Angels/Energies called "Aspects") are with-in you NOW, and may have been for many of your earthly lifetimes... waiting patiently to chat. I call this an *Inside-Job* or *Get-Acquainted* phase.
2. **Second Contact:** Meeting other **Divine Spiritual Aspects** within other Humans on this planet of which many are "Members" of your Soul/Spirit Family or Heritage. You and them may be *Starseeds*.
3. **Third Contact:** This is where other worldly **Divine Spiritual Members** of Your Soul/Spirit Family communicate with you etherically or by other means.

### What's Next:

There are further ways to experience our internal and external **Divine Spirits, Beings, Entities, Energies, and Realities.**

I believe that the above three steps will lead you to discover more of Who you are, Where you came from, and Your Soul/Spirit family of origin. This also provides an Opportunity to mingle with other family members and share stories, desires, and Human Missions.

Then you would be ready to collaborate with other Soul/Spirit groups and discover your Galactic, Inter-Galactic or Inter-Dimensional Desire or Mission. This would set the stage for you to receive your
