

# Embracing the Truth of Your Divinity

*~ Communication & Communion ~*

***HAPPY HOLIDAYS!***

*I Unite with you during this special time of the year as we gather with family and friends of all Faiths to share the Universal Law of Love in our Communication and Interactions with each other.*

Did you know... There are an estimated 4,200 different religions in the world which can be categorized into several main religions. These include Christianity, Roman Catholicism, Islam, Hinduism, Buddhism and Judaism. ~ Google ~

No matter which Religious or Spiritual beliefs you may follow; the Law of Love remains the same; *Love and Honor Yourself and Others Unconditionally*. When we follow this Law we are Communicating from the Heart, while accessing and radiating Higher Frequencies of Light. Every time we make this decision to speak and act from our Heart, we are aligning more fully with our Divinity, allowing the Integration of our Personality and Soul/Spirit which leads to deep Soul Communion.

## Discovery and Communication with Soul/Spirit

*It is from a state of Absolute Unconditional Love that our Soul/Spirit waits patiently for us to make First Contact so that Communion can take place.*

When I first discovered my Soul/Spirit, I experienced an intense feeling of what I now know as Absolute Unconditional Love, coupled with a deep longing/aching within my chest. I then realized I had neglected this precious aspect of myself for way too long. At that very moment I made a decision to put My Soul/Spirit above all else and create the time to discover more of who I was. In reflection, I understand that it was that precise moment that I truly opened my Heart.

As we ALL open our Hearts more fully, Communication and Communion with our Soul/Spirit is easier. Higher frequencies are NOW readily available and lifting the veils of illusion. Our bodies are becoming LIGHTER as we release any emotional confusion that distorts our Vision.

*We all move through this process at our own pace, little by little or by leaps and bounds, we SEE the world becoming more and more Beautiful!  
We NOW Communicate with our Soul/Spirit, and observe  
Divine Order in all situations and circumstances.*

**Following are ways to improve Communication and Communion with your Soul/Spirit:**

- Ground into the Iron Core Crystal of Earth
- Ensure that your physical needs are met
- Stay in the present moment of NOW time
- Remain non-reactive to emotional situations
- Stay centered in your heart
- See/Imagine Beauty in your Reality
- Open your mind to all viewpoints
- Trust that Highest Potentials are activated

We are Multidimensional Beings awakening to the Truth of our Divine Heritage. This Heritage is rich with Possibilities and Potentials. The responsibility remains within each one of us to Discover our personal Heritage, and in so doing, we open the doors for others to Discover theirs.
